

From Dr. Ken Chant and Pastor Denis

The devastating death toll and crisis in Myanmar (Burma) is a tragedy that touches all of our hearts.

Estimates of between 45,000 and up to 60,000 people killed, millions homeless and a military regime that does not, will not and cannot help its own people all contribute to this massive human tragedy.

The aftermath will be homelessness, diseases from mosquito borne sicknesses such as malaria and from poor sanitation such as cholera, ill health through starvation as the already limited food supplies diminish, those in hospitals, the weak and sickly, the elderly and infirm and the young children and babies will rapidly deteriorate as health services are stretched beyond their capacity.

Farms that are little more than subsistence farming have been wiped out, the few available crops destroyed. It will take months before there is any relief.

There is NO government aid. No assistance. No help.

Vision Christian College has 6 colleges in Yangon and Mandalay. This represents over 1,000 people through their families. Through our contacts in Yangon with men such as Rev. Dr. Aung Mang we can help.

Rev. Dr. Aung Mang will be in Sydney next week, he has been on a ministry tour while this tragedy has occurred and he will return to Myanmar in two weeks. We can help the people. YOU can help the people.

You can donate money to the people of Myanmar through Vision Christian College and our web site the Internet Bible College.

We want to raise funds that will be taken directly to pastors in Yangon and Mandalay for distribution to the people. It will be a small but significant help to a devastated people and a way to let them know that the rest of us care.

Below are some links to news items on the situation

Please help. Please give at least \$5.00 up to any amount you can afford it will go directly to the people.

https://secure.bluehost.com/%7Einternq0/secure/mission_support.php: There has been a lot of activity on this form so you may had to retry it.

If you donate you will not be able to claim tax deductibility for your generosity. While we are a tax exempt organization we do not have tax deductibility. We will provide you with receipts and the assurance that the money will go to the people of Myanmar.
